BOOK BINDERY.

Messrs, J. S. Neblett and W. P. Titus have purchased the CHRONI-CLE Book Bindery, formerly owned by Mrs. Susan Snow and will hereafter run it in connection with their Job Printing department under the firm name of Neblett & Titus. They will soon have on hand a full stock for earrying on the business in all its different branches. While doing any work in their line, they will make a specialty of the manufacture of Blank Books for county records, banks, warehouses, insurance agents, merchants and others giving special orders.

A competent foreman will have charge of the Bindery, and all work will be put up according to order and satisfaction guaranteed. Their Job Office is one of the most complete in the State and book, pamphlet and job work of all descriptions will receive prompt attention.

The work from this office and bindery is well known in Middle and West Tennessee and southern Kentucky and it is the intention of the proprietors to keep it up to its high standard and to compete in prices with any house in the same line of business.
